SINGLED OUT IN LIFE

1 Corinthians 7:7 “For I would that all men were (in this manner) even As I Myself, but every man has his proper (pertaining to self) gift of GOD, (this)-one after this manner (in this way) and another after that”

What in the Word of GOD is Paul the Apostle saying here?

He's saying here, that some men and women, can be so totally focused **on Christ**, that they don't 'feel the need' for Marriage. At this point in Paul's life he was 'singled out' by **the Lord** who had so much Revelation to give to him. Did Paul not spend Years in the Deserts of Arabia, receiving his own **Revelations from Christ**? Did he learn any of this from the 12 original Apostles? Even Peter had not fully understood that God was Accepting the rest of the non Jewish nations into Jesus Christ Saving Grace! “I say therefore to the Un-married and to the Widows, it is good for them if They Abide even as I.” —(Un-Married).

Paul is saying, (believe it or not) that the Unmarried (husband-less) and the Widow, (without a live husband) are better off remaining Single just like him. Can anyone imagine this?

Yes, Single's Are in fact, in the **eyes of their Lord**, Beautiful Morally, Valuable for usefulness, and appearance in the Church (there is so much a single person can accomplish, that Married Spouses are distracted from doing), and Singles can be Virtuous! They should, if they can, remain that way.

“but if they cannot Contain, let them marry, for it is better to marry than to burn.” Again, what is Paul saying here? If an Unmarried, or Widow, cannot keep Chaste and Exercise Self Control over sexual desires, it is safer for them to express their desires in Marriage, than to burn out of control, as Unmarried. “And to The Married, I **Command**, yet not I **but The Lord.**, let **not** The Wife depart from **her** husband. But, and if **she** depart, let **her** Remain Un-

married, or be Reconciled to **Her Husband.**, and **let not** The

Husband put away his Wife.”

Some Pastors let, or even Counsel Married Women of their Congregation, to Separate Themselves, putting distance between **her** Self and **her** Husband. Especially if **she** is working for, and useful to, Their Church! This is ‘Cult business.’

But Paul says, in doing that, let her Remain Unmarried **or go back** to the Marriage bed and Home of Her Own Husband.

Also Paul says that a Husband should not put his Wife Out of Their Marriage bed or house.

Finally, with this background laid down, next Month, for sure, we get to the Message.

“**the Spouse of an unbeliever in Christ**” —**Saving The Marriage.**
