

IMMEDIATELY HE PUTS IN THE SICKLE,
BECAUSE THE HARVEST HAS COME.

—JESUS (In MARK 4:29)

The problem with delaying the Harvest?

For everyone who has grown up on a Grain Farm, or for anyone who has spent any time working in Harvesting Grain when it's Ripe, You can appreciate what Jesus, The Master of God's Great Harvest, had to say about His Harvest: Matthew 9:37-38. "The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest. Now John 4:35-38. "Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your

eyes, and look on the fields; for they are white already to harvest. And he that reapeth receiveth wages, and gath- ereth fruit unto life eternal: that both he that so- weth and he that reapeth may re- joice together. And herein is that

saying true, One soweth, and another reapeth. I sent you to reap that whereon ye be- stowed no labour: other men laboured, and ye are entered into their labours." —Jesus Christ. (KJV).

"Plow The Field, Plant The Incorruptible Seed, And Be Prepared For An Abundant Harvest!" —WJP.

THE DAYS OF HARVEST ARE SO FEW AND CANNOT BE DELAYED FOR LONG

Once the Grain is Ripe, the Harvest is Critical. The more time passes, the more the Ripe Grain falls back to the ground.

Ripe Grain will not last long on the dried stalks in the field.

Proverbs 10:5 "He who gathers in summer is a wise son;

He who sleeps in harvest is a son who causes shame." It is a Shame for all the hard work to

be done, and the precious harvest to be allowed to 'waste in the field', at the end. If this happens, all a Farmer can do, is to plow it under as fertilizer for next years crop. One whole harvest season will have been lost forever. The Harvest Days are not the time to sleep or delay, or even to stay home and pray., but Time for Intense Laboring in the Field!

The main Prayer now, is For Harvesters in the Field, Harvesting the precious Grain!
